

Dear Parents/Guardians,

This year, Baltimore Lab School will continue to use our web-based electronic medical record system Magnus Health, for daily COVID-19 symptom and exposure screening. All students, faculty, and staff must complete a daily symptom check each morning, **prior to leaving for school. NO EXCEPTIONS.**

This screening process helps us create the safest possible environment for everyone on campus by avoiding contact at the school entrances where person-to-person transmissions could take place. This process allows the Health Office a secure way to collect and manage the daily screenings.

Please follow these steps to get started:

1. Download the “Magnus Mobile V2” app from the Apple Store or “Magnus Health” the Google Play store.
2. The daily screening assessment is accessible ONLY on the mobile app.
3. The username/password used to access the desktop version of Magnus Health can be used to login to the mobile app.

COVID-19 Daily Symptom Screening in Magnus Health

- Access the Mobile App from your smartphone.
- Access the screening via the button titled “COVID-19” and complete the daily screening.
- After you complete the survey each morning, you will receive either “GO” to school or a “STOP” and stay home message for that day.
- If you receive a “STOP” message, please follow the directions in the app message.
- You should already have access to the Magnus Health COVID-19 Daily Screening. We encourage you to do a test run before the first day of the summer program.
- A tutorial video can be found here <http://training.magnushealth.com/userguide/covid-19-daily-attestation-parent-tutorial/>

Each student must submit the screening every morning no later than 7:30 a.m. Please reserve 1 to 2 minutes to complete this screening.

We thank you in advance for your cooperation in this daily screening as it is an integral part of our Health and Safety Protocols.

For any technical issues with the mobile app such as login problems, or problems completing the screening, please contact Magnus Customer Support at Magnus Health by phone at 877.461.6831 or by email at service@magnushealthportal.com.
