The Baltimore Lab School Parents' Association (PA) Membership and Volunteer Form

Welcome, Baltimore Lab School (BLS) Families, to the 2026-2027 Baltimore Lab School Academic Year! We are extremely excited for the upcoming school year and all of the activities, events, and fun planned. The Parents' Association (PA) cannot establish and execute such amazing events without the help of our parent/guardian volunteers. Together, we hope to provide programs to enhance our school community.

All families are members of the PA and are encouraged to pay the annual dues of $30. New families are always welcome to join the PA when their student enrolls at BLS mid-year. While dues are not required for PA membership, contributions and parent volunteers are essential to implementing our family-based programs and activities.
